

Mad about Moths!!!

Friday 19th September 2025

8pm – 10pm

Weald Common, North Weald Bassett

Join us for an evening observing nocturnal wildlife, from the unseen beauty of moths to the mysterious bats flying through the night.

We hope to be catching, observing, identifying and then safely releasing lots of moths. We will also be using bat detectors to try and find our local bats.

For more information and to book please visit:

www.eppingforestdc.bookinglive.com or

call 01992 564226 (Monday to Friday 10am – 4pm).

Everyone is welcome- under 18's must be accompanied by an adult.

Limited Parking next to North Weald Parish Hall .

This is a free event, but booking is still required to secure your place.

Donations are appreciated for the refreshments.
